The Chambersburg Fire Department will host a monthly Safety Day on the first Saturday of the month.

Firefighters will perform Car Seat checks and installations.

Smoke Alarms and Carbon monoxide detectors will be available for pick up.

Fire Safety information will be available.

-Smoke Detectors are available for Owner occupied homes in the Borough of Chambersburg.

-CO detectors are available to all residents of Chambersburg Borough who use fuel burning appliances or have an attached garage.

-Car Seats will be checked or installed for all—regardless of residence.

-Car Seat rentals through the loaner program are also available to all regardless of residence.

-Fire Prevention materials available to all

-These events are FREE and open to the public. There is a charge to rent a seat through the loaner program.
